OBJECTIVE

Motivated and enthusiastic Information Technology student at Netaji Subhash Engineering College with a strong passion for full-stack web development and DevOps. Seeking opportunities to contribute to impactful projects where I can apply my technical skills, creative mindset, and collaborative spirit. Eager to learn and grow in a challenging and dynamic environment.

EDUCATION

Netaji Subhash Engineering College

2023-2027

Current Year: 2nd Year (2027 Batch)

Consistent academic performance with strong problem-solving and coding skills.

Focus Areas: Full-Stack Web Development, Cloud, and DevOps Tools

EXPERIENCE

Web Developer

2023-2025

Developed and deployed multiple responsive and dynamic websites using the MERN stack.

Built a study resource platform named **Chronics**, helping college students access organized notes and materials.

Worked with MongoDB, Express.js, React, Node.js for full-stack applications.

YouTuber – FactDefiner

Created educational and cultural content for over 2 years, consistently uploading informative videos.

Grew a dedicated audience and developed expertise in storytelling, scripting, and SEO.

Experience with video editing, voiceover, thumbnail design, and content scheduling.
